

## Maintenance Committee Meeting

July 3, 2019

Date: 7/3/19

Time: 12:00 noon

Location: Wolf Creek Ranch Office

Attendance: Kim Taniguchi, Cindy Taniguchi, Nelda Duff, Eliza Bishop, Warren Struss

Purpose: To discuss the list of projects for the 2019 Maintenance Plan.

Attachments for discussion: The list of projects as of 7/3/19

Eliza explained the list of projects provided today was from combining the list made on 7/1/19 and the list the committee was previously working from.

All discussed the list adding comments/corrections/additions. The committee understands their part in volunteering their time and effort in order to accomplish all the projects within the grounds keeping budget.

It was determined that signage for the low hanging limb above the road to the office should be priority.

Eliza will work closely with Andy Piechowski regarding the size of the designated debris pile/burn pile.

Meeting ended: 1:00 PM
